

AYSA Needs Your Support to Help Our Area's Youth!

Aston Youth Soccer Association (AYSA) is gearing up for the 2017 season and we are seeking the support of area businesses in our mission to keep our youth active and involved in the game of soccer!

AYSA provides the township of Aston, Pa., and surrounding communities with organized soccer for a variety of age groups year-round.

It is our mission to foster and perpetuate the game of soccer at the amateur level by teaching the skills of the game, promoting good sportsmanship and developing the physical, emotional and mental growth of our players. Our programs seek to stem the tide of childhood obesity and provide the youth in our area with an opportunity to build self-esteem while learning the true value of competition.

AYSA has more than 650 members and is a 501(c)(3) non-profit organization registered with the IRS.

AYSA is offering an incentive for AYSA parents to help solicit corporate sponsorships. For every \$300 in corporate sponsorships a family brings in, AYSA will waive the \$90.00 AYSA registration fee for one player.

Your support will go towards buying equipment and uniforms as well as player training and development, and field maintenance. Your contribution will also allow AYSA to provide scholarships for families in need. Sponsorships are utilized for both our Intramural and Special Needs Programs.
