Safety First!

As part of our ongoing effort to stay safe and healthy this season, Omaha United Soccer Club has defined safety protocols for coaches/staff, players, and parents/spectators.

Section 1. Standard Protocols to Follow for Prevention of COVID-19 and Other Transmissible Illnesses.

Requirements for coaches and staff:

- Have hand sanitizer on site.
- Have disinfectant on site for equipment (balls, cones, etc.).
- Disinfect all training equipment after each session.
- Pinnies and scrimmage vests are not to be passed from player to player. Once a pinny has been used by a player, it cannot be used until it's properly laundered.
- Encourage players to follow social distance measures during pre- and post-match discussions.

Recommendations for coaches and staff:

- Wear masks.
- Limit the amount of time players are standing in small groups.

Requirements for players:

- Carry individual hand sanitizer in their equipment bags.
- Bring individual water and do not share with other players.

Recommendations for players:

- Use hand sanitizer before and after training sessions.
- Wet towels are discouraged, and if used, are not to be shared among players.
- Follow social distance guidelines before and after practice.
- Wash training equipment following each training session.

Requirements for parents and spectators:

- Check your child's temperature prior to every session. Readings above 100.4° are considered elevated and the player cannot train or play.
- Stay home if your child or anyone in the household is sick, diagnosed with a positive COVID-19 test, or has been in contact with someone with a positive COVID-19 test.
- In the event of a positive test or exposure risk, notify the primary coach and follow rules for *Return to Play Protocol Following COVID-19 Exposure*.
- Spectators are not allowed inside a training complex during indoor team training sessions.

Recommendations for parents:

- Follow social distance guidelines while observing sessions outdoors.

What if a player's exposure to COVID-19 is suspected or confirmed?

The following page describes the protocol for returning to play following COVID-19 exposure.

Safety First! (continued)

Section 2. Omaha United Soccer Club Return to Play Protocol Following COVID-19 Exposure

Staff and players who are showing symptoms of COVID-19 or have been diagnosed with COVID-19 must follow guidelines as defined in SCENARIO 1 **OR** SCENARIO 2 below before returning to play:

SCENARIO 1:

1. At least 3 days (72 hours) have passed since fever (100.4° F or greater) resolved. Resolution means there's no fever without the use of fever-reducing medications. Respiratory symptoms must not be present (e.g., cough, shortness of breath); **AND**,
2. At least 10 days have passed since symptoms first appeared.

OR,

SCENARIO 2:

1. Resolution of a fever without the use of fever-reducing medications; **AND**
2. Improvements in respiratory symptoms (e.g., cough, shortness of breath); **AND**
3. Negative results of an FDA authorized molecular assay for detection of SARS-CoV-2 RNA from at least two consecutive respiratory specimens collected 24 hours apart (two negative specimens).

Remember, safety comes first! If you have been exposed or suspect you've been exposed, let your coach know and stay home!

Starting Off Right!

How and when children are introduced to soccer can make all the difference in their long-term interest in the sport, and their ongoing development. At Omaha United Soccer Club, we believe that **THE RIGHT START MATTERS!** So we are investing in these programs and offering unique opportunities!

Coaches' Corner: Find Out More about Our Coaches

Name: Christina Stasi

Which Omaha United Soccer Club teams do you coach? 2010 girls

Where are you from?
Nebraska

Why do you coach? I have always loved the game and I want to continue to carry the passion for the kids. I love to see the development of

players as they progress and have fun while they do it.

What's your favorite soccer team? Manchester United and US Women's National Soccer Team

What's your favorite experience as a soccer coach? In general, I love all of the silly things kids say and do and enjoy being there to watch the kids develop.

What's your favorite memory as a soccer player? I loved traveling and playing in new places as a player. I also loved the feeling of winning in college soccer games and getting close with my club and college soccer teammates.

What are your favorite hobbies? I love to read, garden, and play with my dog.

What do you enjoy most about Omaha United? I love the climate of the coaches and I especially love working for the people that coached me when I was a player!

Name: Jesse Wanning

What's your role at Omaha United? United Micro Program Coordinator, United Academy 2013 Boys

Where are you from?
Nebraska

Why do you coach? To give back to the game that helped me so much and to teach and watch other players grow in the sport.

What are your favorite soccer teams? Liverpool and Minnesota United

What's your favorite experience as a soccer coach? Coaching my first High School soccer team. We went from missing state for 10 years to qualifying in our first season! It was awesome watching the team come together to accomplish a goal we set from the start of the season.

What's your favorite memory as a soccer player? Winning the Nebraska State Cup for the first time.

What are your favorite hobbies? I enjoy fishing, playing with my kids, and our St. Bernard, Bella.

What do you enjoy most about being part of Omaha United Soccer Club? The sense of family within the club and the opportunity to work with great players and coaches – a goal we set from the start.
