Return to Play!

The Governor and Nebraska State Soccer Association recently announced the return to play for full contact sports, including youth soccer. Individual team training in the form of skills and conditioning has started, and once team offers are out, full team and contact training will soon follow!

We are all excited to get our seasons started! But it's important to note that we still value safety and want to be certain all players, parents, and coaches continue to be responsible. This means that, if a player is ill or displaying any symptoms, he or she should communicate with the coach or team manager and stay home! If a player has been around someone who has tested positive or is in quarantine for possible COVID-19 exposure, stay home! And when we are training or playing, players should practice reasonable distancing in huddles or during water breaks.

Keep in mind, these are reasonable standards we should always keep in mind, whether we're talking about the flu, strep throat, or COVID-19.

Let's make this the best season yet by doing our part to keep our players and families healthy, so that we can give our all on the pitch!

This could not be accomplished with the support, positive referrals, and outstanding displays of talent and sportsmanship by our players, coaches, and family. We are grateful for you!

Our Club Is Growing!

After a tremendous start with our first year as a club, we are proud to say our club is growing!

We are grateful to the players, parents, and families who took the leap with us during our inaugural year as a club. And we are excited about the growth we expect this year in all of our programs.

We believe that what sets us apart from other clubs are elements like:

- Our core values (see the following page)
- High quality coaching staff
- Affordable yearly fees
- Top training facilities
- State Champs and Semi-finalists in our first year, along with several tournament championships, finalists, and semi-finalists in our boys' and girls' programs
- But most of all, WE ARE A FAMILY!

You, our players and families, are what makes our club even more special.

We thank you for your support and we look forward to an outstanding year!

Core Values

At Omaha United Soccer Club, our core values are who we are and what we do. Whether we're training, competing, or just trying to have fun, we strive for our coaches, parents, and players to demonstrate these values.

Family

Together, all things are possible. When your team is down, bear each other's burdens; conversely, celebrate your teammates' successes.

Respect

Treat others the way you want to be treated. Be considerate of others' feelings and rights. Show kindness and encouragement for those around you. Accept others for who they are. Be thankful and listen to those who are offering instruction and guidance. Respect your opponent and the rules.

Leadership

Leaders strive to be trustworthy, honest, and sincere. They possess traits such as integrity and honor. They are willing to serve others and sacrifice their own interests. Leaders are constructive and hardworking.

Accountability

Be accountable for your actions and hold others accountable for their actions. Who am I ultimately accountable to, and who judges my work?

Love

Our love for the game bring us together and connect us with those who want to share it with us. Love will help us achieve our players' dreams and better serve our community.

Excellence

We have high expectations of our families and we hold ourselves accountable to those as well. This includes ensuring we have the best possible coaches, and continuing education for coaches and players. Each new day our aim is to be better than yesterday.

Integrity

Know and do what is right, even in difficult situations. We instill an atmosphere of "doing the right thing even when nobody is watching" because doing this can teach patience, honesty, responsibility, dependability, accountability, and caring.

Hard Work

Diligence never loses because it never quits. Outwork your opponent during games and your teammates during training. Great things come from hard work and perseverance. Success is not easy you have to work hard for what you really want.

By demonstrating these values, we can truly be the club where DEVELOPMENT begins, GREATNESS continues, and MEMORIES last a lifetime.

Coaches' Corner: Find Out More about Our Coaches

Name: Heather Taggart,
MD

Which Omaha United Soccer Club teams do you coach? Assistant Coach for the 2003 Girls' team.

Where are you from? Born in California, raised in Omaha.

Why do you coach? I coach because I love soccer and competition and because I want to be an excellent role model for young women to develop and excel.

Teams perform best when there is diversity and I want young women to see other women make sacrifices to participate in leadership roles confidently.

What's your favorite soccer team? USWNT

What's your favorite experience as a soccer coach? Last year with the 03 girls was my favorite coaching experience because it started as a very tumultuous year and by the time they won the Nebraska State Cup Championship they had created excellent team chemistry and flow to their game. To watch the girls put it all together was gratifying.

What's your favorite memory as a soccer player?

Favorite memories as a college player were the 2 college cups I played in 1988 and 1991. Unfortunately, we lost to North Carolina in the semis in 88 and then in the National Championship in 91. Favorite memory as a youth player was participating in one of the very early national team tryouts in 1987 with players like Mia Hamm, Michelle Akers, and Kristine Lilly. I was 16 years old and it was the very early years of our women's national team.

What do you enjoy most about Omaha United? I am proud to coach at Omaha United Soccer Club with Jose Vargas because of the commitment to player development, excellence, and family.

Name: José Ramón
Muñoz

Which Omaha United Soccer Club teams do you coach? 2006 Girls

Where are you from? San Luis Potosi, Mexico

Why do you coach? Helping youth to become better players and people. I had great mentors in my life when I was a kid, and now I just want to pass that on to the kids that I coach.

What's your favorite soccer team? Cruz Azul-Mexico, Liverpool-England

What's your favorite experience as a soccer coach? Winning my division at the Nebraska league with my 06 girls and many tournaments in the area.

What's your favorite memory as a soccer player? My favorite memories of my soccer career are from when I was playing in college.

What do you enjoy most about being part of Omaha United Soccer Club? Great group of people. I like the philosophy of the club. Also, the club does a great job working with college coaches, setting the players up to play at the college level.
