Concussion Protocol

1. (a) California law requires that all coaches and administrators must complete an online concussion training *at least once* before supervising youth athletes; a certificate from a prior season is valid for this season. It takes only about 30 minutes to complete the training. Please save and carry the certificates for all your coaches in your binder.

The online Concussion Protocol Training is at: <https://www.cdc.gov/headsup/youthsports/training/>

2. (b) A concussion and head injury information sheet must be signed by both the athlete and a parent/guardian before the athlete initiates practice or competition. An existing form from this spring may be used if it's available. The signed sheet must be carried with the player's medical release and code of conduct form.

Abuse Awareness Protocol: (Required Once)

1. (a) All managers and coaches must complete the Abuse Awareness training provided by USA Baseball and SafeSport. The managers and coaches must carry documentation that the course has been completed. Here is the link to the course: [Abuse Awareness for Adults \(usabdevelops.com\)](http://usabdevelops.com)

Sudden Cardiac Arrest Prevention Protocol: (Required Once)

AB379 now requires the same protocols used for concussions in youth and high school sports to be used to help protect young athletes participating in school and community youth sports organizations from sudden cardiac arrest—the #1 killer of young athletes. Community youth sports organizations include an organization, business, nonprofit entity, or a local governmental agency that sponsors or conducts amateur sports competitions, training, camps, or clubs in which persons 17 years of age or younger participate. The online Sudden Cardiac Arrest Prevention Training is at: <https://epsavealife.org/sca-prevention-training/>

Please save and carry each of the certification certificates for all your managers/coaches in your team binder. Administrators and umpires should carry a hardcopy or an electronic copy with them to all game sites.
