Naugatuck, CT 06770 • 203-723-8774 • sportsimage.org

Sports Image will be photographing all players of your child's league. Your coaches will be notifying you of the exact **date and time** for your team to be photographed. Please keep in mind that we will be taking **team photos** as well as individual photos on this day. Once your child has had his/her individual photographs taken, then your player should proceed to the team photo area with his/her coach for their team picture. It is important that your child arrives to the field **15 minutes** prior to their scheduled photo time.

Employees of Sports Image Photography will be on site to greet you and to assist you with your package selection. Please review the package selections below. Product samples can be viewed on our web site at www.sportsimage.org. **Please complete this order form with the package selection of your choice. You may order as many packages as you like, enclose cash, check or choose the credit card option (if you are enclosing cash, please be sure to enclose the exact amount as we will be unable to make change on picture day) and bring it with you on photo day.** In the meantime, if you should have any questions, you can email us at info@sportsimage.org or call 203-723-8774.
