

Marysville Little League Scholarship Application

Marysville Little League firmly believes that each child who wishes to play baseball or softball should be entitled to do so regardless of skill, gender, or financial circumstances. Our league will not deny any child a chance to play baseball or softball due to a financial hardship.

A limited number of scholarships are available based on the league's annual budget, community sponsorships received, and the overall number of registrations. Because scholarship funds are limited, scholarship applicants must meet certain financial criteria, as noted below and certify that they qualify. Applicants may be asked to provide additional information to prove the player is eligible for a scholarship. Please do not ask for a scholarship if you have the ability to pay. Scholarships will cover 75% of the registration fee, participants will still need to pay 25% of the registration. If there is a need for 100% of the registration fee to be scholarshiped, participants will need to provide additional information to the league president. The president may award a 100% scholarship with board approval.

In addition, families applying for a scholarship acknowledge that the league is run solely by volunteers and there is an expectation that parents of scholarship recipients will give back to Marysville Little League in any way that they can, whether by providing assistance to their child's team, volunteering at the concession stand, helping at field days, or serving on the board.
