

## Concussion & Sudden Cardiac Arrest Awareness Form

---

Safety is paramount to the players and families of Everett Little League.

With this in mind, it is important that we do as much as possible to create and maintain a safe and enjoyable environment. As a parent/guardian or player, you play a vital role in protecting all participants and helping them get the best from the sport.

Player and parental education in this area is crucial, which is the reason for the Concussion Information pamphlet and Sudden Cardiac Arrest Awareness handout, both of which are made available as part of the online registration process (and can also be found at <http://www.everettlittleleague.org/forms>). Please refer to it regularly.

This form must be signed annually by the parent/guardian and player prior to participation in Everett Little League activities. If you have questions regarding any of the information provided in the pamphlets, please contact our Safety Officer at [safety@everettlittleleague.org](mailto:safety@everettlittleleague.org).

**I HAVE RECEIVED, READ, AND UNDERSTAND THE INFORMATION PRESENTED IN THE CONCUSSION INFORMATION AND SUDDEN CARDIAC ARREST AWARENESS PAMPHLETS.**
