

## GARDENDALE YOUTH BASEBALL

Gardendale Youth Baseball would like to personally invite you to promote your local business at Bill Noble Park. Bill Noble Park is home to hundreds of local kids having fun, and learning the game of baseball. Throughout the calendar year, your business will be visible at one of our beautiful fields, and in our baseball program. Please do not miss the chance to make your business more visible and support your community. Thank you in advanced for your generosity and partnership.

Regards,

*Keith Chapple*

President GYB
