\$750 1st year
\$500/years 2-5
(10 available)

\$50.00 per year

The Friends of False River Park, is a group of community volunteers asking for your support of our parish sponsored recreation program. Exciting things are happening at Pointe Coupee Parks and Recreation, including a plan to completely remodel our baseball fields, softball fields, and concession stand. This collaboration between parish government, private businesses, and citizens will help make our park system become up-to-date, safer, and a more attractive venue for hosting events.

Recently, thanks to the generosity of the New Roads Lions Club, volunteers spent several weekends working on Field 3 making upgrades which we intend to continue at the remaining fields and concession stand. The ability to complete these future projects depends greatly on sponsorships. Attached is a breakdown of naming/advertising options. We ask that you please consider supporting the Pointe Coupee Parks and Recreation program.

Spots are on a first come first served basis so reserve your spot today. All sponsorship recognition will be in place before the 2020 season.

Any questions please call P.C. Rec at 225-638-3870 or John Disotell at 225-413-2811.

Checks can be made payable to P.C. Parish Government or Friends of False River Park.
