

West Fargo Baseball and Young Field

West Fargo Baseball, Inc. strives to organize, structure, and maintain the highest quality baseball program possible. We are committed to developing a fun and safe environment for those who participate in our program.

We are also committed to providing first class baseball facilities at Young Field for our American Legion program, Exchange Club Field for our Babe Ruth program, and Rendezvous Park Fields for our Cal Ripken program.

West Fargo Baseball, in partnership with the West Fargo Park District, added two new Cal Ripken fields to Rendezvous in 2014 and a synthetic turf infield was added to Young Field in late 2015.

Grandstand Project

The grandstand addition at Young Field will allow fans of all ages to enjoy baseball from bleacher style seating, stadium style seating, and plaza patio areas.

The grandstand will accommodate 600 plus fans with open site lines. In addition, amenities will include 200 stadium style seats covered by a canopy, bleacher style seating, ADA compliant seating, concession stand, umpire room, storage, and a new press box will enhance the overall fan experience. The existing structure will be re-sided to match the grandstand with expanded restrooms that are ADA compliant.

This new grandstand will bring additional opportunities to host baseball tournaments which will bring fans and players alike to West Fargo and the greater FM area, benefiting our community as a whole.

Become A Sponsor

Please help us to reach our goal in creating an inviting and comfortable baseball facility that can be enjoyed by West Fargo players and fans for years to come. With your support we can build the grandstand together.
