

*Picture Day is
Coming Soon!!!
Saturday, May 8th
Mendenhall Track*

Safety is extremely important to us. We have created a safe set up to photograph players in a spaced out schedule to allow for proper social distancing. We ask players to wear a mask until asked to remove it by the photographer. Players will be photographed individually and composited into a team photo so players do not need to stand close to each other without a mask.

Visit the link below or scan the QR code to Pre-pay for your portrait package at the discounted early pricing. BONUS use code “FREEBT” for a Free Bag Tag with all orders purchased prior to picture day!
