

**Kickoff Lanes Drill**

**01** ★

Once ball is kicked, coverage team sprints downfield in proper lanes.

**02** ★

Coach blows whistle at various spots to ensure everyone is in the proper lane.

**03** ★

Spacing and depth are crucial to excellent punt coverage.

**04** ★

Once returner has the ball, defensive players should "thud" tackle.

**05** ★

Have second unit ready to go after the first covers its kick and stays downfield.

**06** ★

Repeat drill in the other direction.
