

**Punt Lanes**

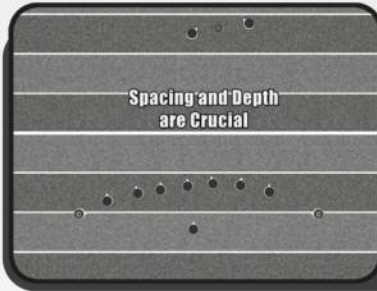

**01** ★

Once the ball is kicked, punt team sprints downfield, in the proper lanes.

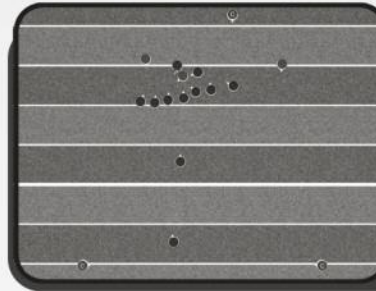

**02** ★

Coach blows whistle at various spots to ensure everyone is in the proper lane.

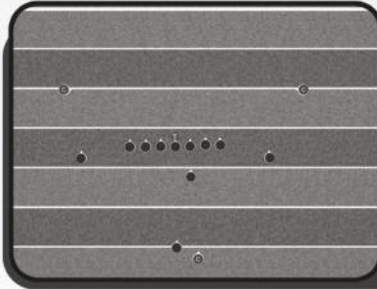

**03** ★

Spacing and depth are crucial to excellent punt coverage.

**04** ★

Once the returner has the ball, defensive players "thud" tackle.

**05** ★

Have second unit ready to go after the first covers its punt.

**06** ★

Repeat the drill in the other direction.
