

DONATE, ADVERTISE & LEND YOUR SUPPORT!

Portsmouth Girls Softball Association (PGSA) has been a not-for-profit fast pitch softball league responsible for developing, mentoring and supporting Portsmouth female athletes since 1998.

We are writing today to offer your company the opportunity to partner with PGSA in providing a safe environment for the young female softball athletes in and around Portsmouth. We have developed the following advertising program for businesses to help in this partnership. It is our hope that, as a business supporting this community, you will choose to participate in our efforts to raise the necessary funds to help deliver this exciting softball program.

We have several different levels from which you can choose to show your support. Small or large, your donations are welcome and very much appreciated.
