

NORTH PLAINFIELD SUMMER CAMP 2020

The Department of Parks and Recreation announces the following:

Unfortunately we will not be offering a summer playground at Green Acres this year.

Our summer camp program at Vermeule will be run much differently than the past. Please be mindful that we will be in compliance with CDC and state regulations. Hopefully after reading this announcement you will be better informed to make your decision as to whether you want to send your child or keep him/her home this summer.

- Camp will begin Monday July 13th
- We are capping off registration at 66 campers. Registration will be first come, first served. North Plainfield residents will be a priority. All out of town residents will be placed on a waiting list and there will be a \$100 surcharge added to your plan if space becomes available.
- July 10th is our cutoff date. We will go to the waiting list at that time. If you are on our waiting list and are still interested in attending, your camper will become registered.
- Our campers will be assigned to a group of 6 campers and 1 counselor. They will remain together as much as possible throughout the day and summer. By keeping the children in the same group, we can easily track the children and counselor assigned to that group should a camper or counselor become ill.
- There will be no trips
- There will not be any on campus outside entertainment.
- Campers will receive 1 T-shirt
- Parents will be responsible for supplying water, snacks and lunch. We will still offer pizza Fridays. We ask that you educate your children to NOT share drinks, snacks or lunch. We also ask you emphasize social distancing and wearing masks when asked to do so.

Summer Camp

- This summer there will be no minimum number of weeks to enroll as we realize some of you may not need our services fulltime. We understand unemployment is high and our goal is to assist families as much as possible for this summer. As much as we are interested in helping families, we still have a structure that must be adhered to.
- The summer camp program will be open for 8 weeks (From July 13 and closing Friday September 4th) Since there is no minimum number of weeks this year, (it was always 7 weeks minimum in the past) you may purchase the number of weeks needed for your family.
- Our Plans are remaining the same (A,B,C,D) however we are modifying our plans to possibly meet your needs. We are offering a 5 day week plan and a 3 day week plan. If you purchase a 3 day plan, **the same 3 days must be used each week**. You may NOT change your 3 days from week to week. We need uniformity for staffing purposes.
- All pricing is being kept at the early bird pricing. There will be no late fees for registration
- If you purchase 5 weeks and later realize you need additional weeks, you may purchase additional weeks **if space is available**.
- Plan A is 9am drop off 3pm pick up.
- Plan B is 7:30am drop off and 6:30pm pick up.
- Plan C is 7:30am drop off 3pm pick up
- Plan D is 9:00am drop off 6:30pm pick up
- ***CAMPERS MUST BE PICKED BY 3PM OR 6:30 PM. (TIME IS BASED ON YOUR PURCHASE)
THERE WILL BE A \$15 LATE FEE PENALTY FOR CAMPERS PICKED UP 1-15 MINUTES
LATE, \$30 FOR CAMPERS PICKED UP 16 – 30 MINUTES LATE.***

Summer Camp

PROCEDURES:

- We will have a student nurse on duty for approximately 3 hours per day from 7:30am to 10:30am
- Each camper will report to the nurse or person in charge to have his/her temperature taken daily. This will be done prior to a parent/guardian leaving the camper on site.
- Our employees will sign your child in/out with you present. By doing this only one person will use the pen.
- If a camper registers a temperature greater than 100.1, the camper may not participate and must leave the campus immediately. He/She may return the next day. In the event a camper develops a temperature during the day, he/she will be isolated from his/her group and a parent will be called for pick up.
- All employees will have their temperature taken daily as well.
- Each camper **MUST** bring a face mask. Each counselor will have a face mask as well.
- Campers will be in groups of 6 or less with a counselor assigned to that group. They will remain together throughout the day and summer. Since this is primarily an outdoor camp, scheduled activities will be scheduled every couple of hours as the campers will rotate to do a different activity. When outdoors, since campers will be at least 6 feet apart, they will not be required to wear a mask. If you prefer your child to wear a mask, we will enforce your wishes.
- Once an activity is done, the equipment used will be disinfected prior to the use of another group.
- We will have hand sanitizer available as well as hospital grade hand soap.
- We will stagger lunch and snack breaks.
- When campers are in situations where social distancing maybe challenging, they **MUST** wear their mask. ie: It's raining out or over 95 degrees and we are forced to go in the community center. When indoors, we will utilize all three levels of the community center and do our best to spread the campers out.
- Our rest rooms will be cleaned and sanitized daily.
- Tables in the community center will be cleaned and sanitized daily
- Our playground equipment will be cleaned and sanitized daily.

If we missed something or if you have questions, please call the recreation office. 908-756-0247

Thank you
