

NORTH PLAINFIELD PARKS AND RECREATION
SUMMER CAMP AND PLAYGROUND PROGRAMS FOR 2020

The Department of Parks and Recreation has finalized our plans for summer camp and playground programs for 2020

For complete details and registration forms for summer camp (Vermeule) and playgrounds (Green Acres), please visit our website at

Green Acres Park

The playground program at Green Acres Park is a weather permitting program offers swings, slides, etc. We have 2 basketball courts plus a multi surface area for soccer or street hockey. There's enough land to play baseball, softball or soccer on grass. There's a picnic area protected by a pavilion from the sun or rain.

Please visit our website and take a few minutes to read the details about summer camp and playgrounds. If you need further assistance, please call the recreation office at 908-756-0247 or write us at rec@npmail.org. We will be happy to assist you.
