

Sol Soccer Club (Sol SC) is a 501(c)3 non-profit organization and a member of the Cal South Youth Soccer Association committed to providing an environment that supports lifelong participation in soccer among girls by developing, designing, and delivering a soccer specific program that fosters the individual girl’s ethical, social, emotional, physical and cognitive growth.

Not being able to afford the basic costs of participation leaves many girls off a team and without a place to play, to learn, and a place to grow. Impediments to access remain an ongoing obstacle and a drawback to enthusiastic, interested girls. Financial problems that prevent participation means a lot of lost health and educational opportunities for girls.

We are asking local organizations and businesses to help our outreach activities that recruit and retain young female participants by sponsoring our club, and we are offering several ways for you to do this. All donations received are used to provide scholarships for girls who may not otherwise be able to afford the costs of participation.

Your donation is tax deductible and will help your business or organization get noticed, and it will help our club accomplish its goals!
