Coaches on the Field: Coaches can be on the field to assist for the Coed 4/5 and 6 Year Old Boys/Girls divisions.

Referees for 6 Year Old Boys/Girls: In the final *2* weeks of the season, referees will be scheduled to manage the game. Coaches are requested to be off the field for the final *2* weeks.

All other divisions' coaches Boys 1/Girls 1 and older are not allowed on the field during the game unless there is an injury.

If both teams are short players, please decrease the length of the halves and increase the break between the halves. You must inform the referee before the game starts of this change.

Players from another team at the same or lower level can play if a team is short players. The team getting the players gets a loss in the league standings for teams with a playoff. These substitute players should play back positions, so the team's regular players can play the forward positions.

Slide tackles:

All sliding tackles are not allowed, and will result in the other team being awarded an indirect kick

Header Rule:

No balls will be allowed to be directed by using the head. The referee will stop the game and award an indirect kick from the point of contact.

Build Out Line for BOYS/GIRLS 1 and BOYS/GIRLS 2:

Build out Line rules are in effect for BOYS/GIRLS 1 and BOYS/GIRLS 2. Punting is NOT allowed in BOYS/GIRLS 1 and BOYS/GIRLS 2.

The defending teams must retreat beyond the buildout line for goal kicks and when the goal keeper (goalie) has possession, the goalie cannot punt or perform drop kicks.

Offside is enforced from the Build out Line to the goal, not the center line.

Boys/Girls 6 - Practice throw-in. Let the player re-do until they get it correct.
Boys/Girls 1 and Boys/Girls 2 – For the first *3* weeks let the player re-do throw-in's until they get it correct. From week *4* on, an incorrect throw-in results in the loss of the ball.
Boys/Girls 3 and High School COED, an incorrect throw-in results in the loss of the ball

Playing time:

All players should have equal playing time and experience all positions. DO NOT pigeon hole a player into one position on the field. This is a recreational league and every player should experience both forward and back positions during the season.

Big Leads:

If you see the games getting out of hand, please put your best players into a back position to limit the scoring. If you are up by 4 goals you should pull one player or more, and the other team can add a player. Please also encourage the players to pass the ball more or shoot with their weaker foot. Please don't let the score get out-of-hand.

Coaching:

No coaching can take place from the 18-yard line or from behind the goal. Please ask anyone that is behind the goals to move. Please remember EBYA is a recreational soccer league. EBYA does not allow coaches or parents to coach from the back of the goals and from within the penalty box (18 yard line is smaller for the younger players). Please do not direct the goal keepers (goalies) during a game when to come out and get a ball.

Coaches and players shake hands both before & after the game. Include the referee where possible.

Medical:

Parents please email/talk to your coaches about special medical conditions or allergies. Please inform the parents of players that need an EpiPen that they or someone responsible that knows how to use one must be at the field for games and practice. Please remind parents not to send players with asthma to the field with their inhaler.

EBYA Soccer – Fall2020 Rules

Forearm casts will be permitted in B1/G1 through B4/G4/HS COED, provided a doctor's note is given to the commissioners for the age group clearing the player. All casts must be bubble wrapped and inspected by the referee prior to the start of any game. If a referee at any time thinks that the cast is presenting a safety hazard for other players, he or she reserves the right to take the player out of the game.

Two-deep Leadership:

Do not stay at the field waiting for a parent without another adult present. Inform all parents that if someone is late at pickup time, another adult must stay with you.

Weather Guidelines:

Leave the field and end practice if you hear thunder. If parents are waiting in their cars - Inform the parents to return to the field if they hear thunder to collect their child. Games or practice must end if you hear thunder!!! If the Ref does not hear the thunder - tell the Ref.

In the event of bad weather on Game Day, we will cancel games by 7:00 AM and we will update the website at www.ebya.org The league will also send an email blast to all impacted divisions.

Player/Parents:

Players must wear shin guards at all times during practices and games. Players cannot participate if they are not wearing shin guards.

No jewelry or earrings of any kind can be worn during the game or practice. Note: Please do not have your child's ears pierced during the season. Band aids over new earrings are **NOT ACCEPTABLE** and your child will not be able to play. Jewelry also includes hair beads, watches, bracelets, Fitbits, etc.

Please review the sidelines after the game and have the kids pick up water bottles and trash that often gets left behind.

All participants, parents and volunteers agree to the EBYA Soccer Parent and Player Code of Conduct upon registration. A copy of the Code of Conduct is displayed on the EBYA Soccer Parent web page: <https://www.ebya.org/Default.aspx?tabid=630835>
