

OVERTIME RULES FOR FALL 2018

1. If the game is tied after regulation there are two 5-minute halves. This is not sudden death. Both halves will be played.
2. If after the two halves the game is still tied then the teams go to Pk's.
3. Only players on the field at the end of the last 5-minute half can participate in the PK's. Players must stay on the field. When the PK's are started coaches must be on the sideline with the rest of the team and not on the field. No coaches or parents are allowed within the 18 yard line during the PK phase. Please ask the coaches to get everyone outside the 18 yard line.
4. Ref will ask for the order of the first 5 PK takers.
5. Coin toss will be given and the winner of the toss gets to decide if they will take the first shot or let the other team go first.
- 6 Kicks are taken until the outcome is decided. At the point the other team cannot score enough goals to win the game is over.
6. If after the first 5 PK's it's still tied the Ref will get the order of the next 5 PK takers. If one team scores at this point and the other team does not, the team that scores is the winner.
