CAMP HIGHLIGHTS

Personalized, professional instruction in all aspects of baseball, including throwing and fielding mechanics, intensified hitting, individual position play, pitching mechanics, arm strength tested by radar guns if interested

Low student-instructor ratios: Our instructors are dedicated coaching professionals and college and high school players with the expertise to insure a proper learning atmosphere for your ball player. Group sessions are based on an 8:1 (or less) student to instructor ratio. Parents and coaches are encouraged to attend.

A camp for the youngster: We don't babysit the 6 and 7 year-old. We teach them baseball. This is one of the few camps that work with the younger ballplayers.

For a personal touch, please inquire about private or small group lessons, along with specialized team workouts.

• **Team discounts:** Five or more players from the same team attending the same camp qualifies for a 25 percent discount. *(Team discount registrations must register together.)*

PRIVATE & SMALL GROUP LESSONS & DISCOUNTS

- The second camper from the same family qualifies for a 20 percent discount. The discount will apply to the lowest priced camp. One (1) discount per camper.
- Multiple camp discount, 20% off the second lowest priced camp. One (1) discount per camper.
- Only one (1) discount per camper may be applied.
