ARTICLE I - LEAGUE POLICY AND OFFICIAL LEAGUE INFORMATION

Poquoson Little League abides by and conforms to all rules as governed by Little League Baseball, Incorporated. The following policy, as it relates to Poquoson Little League (PLL), is approved by Poquoson Little League's Board of Directors for the sole purpose of further defining how Poquoson Little League functions and operates. This document may be changed from year to year as deemed necessary and approved by the Board of Directors. This document shall be made available to all recognized members of Poquoson Little League and is available on the PLL website at www.poquosonlittleleague.org. A copy will also be available at the PLL Complex.

ARTICLE II- LEAGUE OFFICIALS

Poquoson Little League is a volunteer organization and cannot be run without volunteers. PLL offers many ways to volunteer such as being a manager or coach, umpire, concession worker, team mom, and/or board member. There are many ways to get involved. One of the most crucial volunteers that the league offers is the board member position. PLL offers a plethora of positions including: President, Vice President, Player Agent, Treasurer, Secretary, Safety Officer and Coach Coordinator. Other positions may be established by the Board of Directors.

On a date set forth by the PLL Constitution that is approved by Little League, a General Membership Meeting is held to approve the Constitution, elect the Board of the Directors, and approve the budget for the next fiscal year.

To join the Board of Directors, a notification to the current President with the indication of desired position is needed to be placed on the ballot and can be nominated at the General Membership Meeting. A returning board member is not guaranteed the same position the following year. At the General Membership Meeting, a quorum needs to be present before any official discussions can be started. A person is elected to the Board of Directors with a majority vote of collected in-person and absentee ballots.

Once elected to the Board of Directors, the elected official's mission is to work with the other elected officials to improve Poquoson Little League while putting their personal interests and agenda aside and putting the children first. As an elected official of the PLL Board of Directors, it is expected to attend at least 50% of board meetings and league functions (registrations, tryouts, etc.). Being an elected official does not guarantee a manager or coach position on a regular season team or an All-Star team.

ARTICLE III- REGISTRATION AND TEAM SELECTIONS

SECTION I- Registration

All boys and girls interested in playing for Poquoson Little League (Baseball or Softball) must register to play in the upcoming season. The registration process is mandatory for **ALL** players and must be done each year prior to the conclusion of tryouts. For the Junior/Senior Baseball and Softball divisions, they will have a later registration deadline due to High School tryouts. Any player who registers after teams have been selected or drafted will be put on a waiting list.

In order to register in the Poquoson Little League program, the following steps must be completed:

1. Provide the league with proofs you are a resident of Poquoson. This is accomplished by providing an approved document as listed in the Little League Baseball or Softball Official Regulation and Playing Rules Book, under “Residence Eligibility Requirements.” If you do not live within the boundaries of Poquoson Little League, you are not able to participate in Poquoson Little League unless you apply for a waiver. To participate in All-Stars, Little League requires three forms of address verification between and/or enforced in the dates of Feb 1, 2019 and Feb 1, 2020. An alternate method is providing a certified copy of the Little League school enrollment form that is signed by the parent and a certified school official at the school the player attends.
2. Provide the league with proof of age documents for the player being registered. A certified (original) (raised embossment with original ink certification) birth certificate is the only document that is acceptable. However, other documents may be acceptable for players not born in the United States. These documents are defined in the Little League Baseball or Softball Official Regulations and Playing Rules, under “Proof-of-Age Requirements”.
3. Pay the necessary fee for the division you desire your child to play in; plus, any fundraising which may be in effect. These fees may change from year to year. Financial aid is available upon request. In the event that your child is placed in another division, a refund or additional payment is possible. All fees must be submitted to the PLL Treasurer and/or PLL Player Agent. No other board member shall collect a fee without the approval of the PLL President or Treasurer, and the approved board member collecting such fees must present those fees and any associated paperwork to the PLL Treasurer as soon as practical.

During registration, the league will provide information regarding the League, tryouts, fundraising, and take the opportunity to answer questions from parents and players.

SECTION II- Baseball and Softball Divisions

PLL offers the following divisions: T-Ball, Coach Pitch Baseball and Softball, Minor Baseball and Softball, Major Baseball and Softball, 50/70 Baseball, Junior Baseball, and Senior Baseball and Softball. In the event that teams are not full, PLL will accept late registrations or pull players off the waitlist in order to fill teams. If a team cannot be established due to a lack of players, refunds (or credits towards the next season) will be made as soon as practical.

ARTICLE IV- RESPONSIBILITIES OF MANAGERS, COACHES, AND UMPIRES

SECTION I- Manager/Coach Selection

Any person who is interested in becoming a Manager or a Coach **MUST** submit a Volunteer Application, Manager Application and consent to a background check. The President selects and appoints managers, coaches, umpires, and committees. The President can also allow the Commissioners of the respective divisions to participate in the selection of managers and coaches. All appointments are subject to the approval of the League's Board of Directors. Any manager or coach who is interested in managing or coaching All-Stars must be approved by the League's Board of Directors and present on the rosters that are sent to Little League. Appointees are responsible to the President for the conduct of league affairs, both on and off the field. Importantly, the President is the Officer with whom Little League Headquarters maintains conduct and who represents the league in the council of the District Organization.

SECTION II- Manager and/or Coach Responsibilities

All Managers and Coaches, upon completing and signing the Volunteer Application, Manager Application, and submitting a Background Check, agree to follow a set of rules which include, but may not be limited to, the following:

- A. Attend all mandatory Managers meetings (if you cannot attend the meeting, a coach or representative may be sent in your place).
- B. Attend Concussion Training and complete training exam required by the City of Poquoson.
- C. Conduct regularly scheduled practice sessions and attend all games as set forth by the League, based on the assigned practice schedule prior to the game season and at least once a week after the season starts, weather permitting and attend

- G. Managers are responsible for checking the PLL Hotline each afternoon for updates on wet field closers, rain or shine. When wet fields are designated as closed, managers shall keep their teams off them, as indicated. Failure to check the hotline is not a valid excuse for playing on a closed wet field.
- H. Respect all Umpires, Coaches, Spectators, Volunteers, and Players in a considerate manner.

At the PLL Complex- After the game, both dugouts should be clean. The home team will oversee raking the fields after the game.

disciplinary action by the League. Compliance with these rules can be used in future decisions when selecting managers.

SECTION III- Umpires

The recommended minimum age to umpire in Poquoson Little League is sixteen (16) years old unless approved by the Board of Directors following the approval of the Umpire-in-Chief. Some divisions use a paid umpire from a Board approved officials' association. They should be treated with the utmost respect from all players, managers, coaches, and spectators.

ARTICLE V- TRYOUTS AND DRAFT

Section I- Tryouts

ALL PLAYERS MUST TRYOUT EXCEPT FOR T-BALL AND RETURNING MAJOR BASEBALL PLAYERS. All players, League Age 8 in Baseball or Softball, must be evaluated during player evaluations before being allowed to play in a lower division. A player who is trying out for the Major Baseball Division **MUST** attend tryouts to be eligible to be drafted to the Major Baseball Division. All players not meeting these requirements **WILL NOT** be eligible to play.

Conducting Tryouts: All players are generally observed but not limited to five categories: batting/bunting, fielding ground balls, fielding fly balls, throwing, and running.

Player Responsibility:

It shall be the responsibility of the player to attend at least 50% of the tryouts and he/she must actively participate in all phases of the tryout process. A player not meeting these requirements shall not be eligible for the draft unless (s)he presents an excuse that is acceptable to the Board of Directors. As roster spots become available after the draft has taken place, players on the waiting list can be called to fill the vacant roster spots. The waiting list shall be established on a first-come, first-serve basis. The Board of Directors determines each year when to close registration and the wait list for the season.

Manager Responsibility:

It shall be the responsibility of the Manager and/or Coach to attend all the tryout sessions for all age groups. The Manager and/or Coach shall evaluate the skill level of player candidates during each phase of the tryout process.

Managers and/or coaches may ask a player trying out to perform tasks such as running, throwing, catching, or pitching, to better evaluate their ability.

Conclusion of Tryouts: The Player Agent determines how many players need to be drafted to the Major Baseball Division. Each evaluator will submit a list of top prospects to the Player Agent. Every list that a player is on, (s)he receives one vote. Players with the most votes are added to the Draft-Eligible List. Only players placed on the Draft-Eligible List can be drafted to a Major Baseball team. The remaining players will be allowed to be drafted in the Minor Baseball division. In the event that a player needs to be replaced in the Majors division, the eligible candidate will come from the Draft Eligible list.

SECTION II- The Placement of Players and the Draft

The purpose of the player draft in competitive divisions is for managers to pick players they deem appropriate to play in the division in which they are managing. The selection of players will take place at a date and time approved by the Board of Directors, and take place after the conclusion of tryouts.

Those persons allowed to attend the player draft in all divisions shall be limited to the President, Vice President, Secretary, Player Agent, Commissioner of the respective division, and the Managers of the respective division. Additional persons may be appointed as appropriate by the President and/or Player Agent.

The Player Agent controls the draft unless otherwise directed by the President. All questions, concerns, or requests must be directed to the Player Agent or designated person conducting the draft.

At the discretion of the Player Agent, he/she may ask league representatives or Major Division Managers to assist in the Minor Division selection of players.

Major Baseball Division Draft:

The Major Baseball Division Draft will be in accordance with the “Method in First Year of Operation, Plan A” of the LLB Operating Manual. Teams will draw as to the order they pick. This draft will use the “Horseshoe Method”.

All players drafted to a Major Baseball team in the previous year are considered “returning players” and must be drafted into the division by the conclusion of the draft.

In the Major Baseball Division Draft, there is a Draft-Eligible List. Managers can only select from the Draft-Eligible List. The Draft-Eligible List consists of 12 year olds and the prospects that the evaluators chose after tryouts. Managers will select only from the Draft-Eligible List until all teams have reached the maximum of 12 players on each team. The remaining players on the Draft-Eligible List that were not selected will be eligible for the Minor Division Draft. In case of a release of a Major Baseball player, a player who was not drafted to a Major Baseball team and was on the Draft-Eligible List shall be a replacement candidate on the Major Baseball team.

Minor Baseball & Coach Pitch Division Draft:

The Minor Baseball Division Draft will be in accordance with the “Method in First Year of Operation, Plan A” of the LLB Operating Manual.

This Draft will be held immediately following the Majors Draft. Teams will draw as to the order they pick. This draft will use the “Horseshoe Method” in order to fill the teams. Prior to the Minor Baseball Draft taking place, the Player Agent will inform each Manager which players have not been drafted into the Majors and are available for drafting. Managers should keep in mind that players who were named to the Draft-Eligible List and not selected to the Majors Division can be eligible to be called up as a replacement at any point during the season.

No players are considered “returning players” in the Minor Baseball Division and they are eligible to be placed on any Minor Baseball team.

Coach Pitch: Beginning in 2017, PLL will evaluate all players at tryouts and rate each player on a scale of 1-5. After tryouts, the teams will be put together to ensure a balanced team based on the talent level. Requests for carpools will be accepted but the draft will take priority.

T-Ball: There will be no draft. Players will be assigned to a team by a logical placement selection conducted by the Player Agent and the respective Commissioner. The T-Ball teams shall be balanced with four, five, and six year olds. Players within these divisions can partner with friends and family to the best of the league's abilities. Notice needs to be given to the league at player registration or tryouts to which team, coach, friend, or family they would like to partner with. However, the needs of the league to balance players shall take precedence.

Junior Baseball Draft: This draft will usually be held immediately following the tryout. The managers will select in accordance with the "Method in First Year of Operation, Plan A" in the LLB Operating Manual.

Softball Draft: All softball divisions will use the "Method in First Year of Operation, Plan A" in the LLB Operating Manual. Following the tryout, the Player Agent and the respective Managers will select which players will be eligible for the Major Softball Division and which players will be eligible for the Minor Softball Division.

SECTION III- Options

Sibling Options:

This option takes place when there are brothers, sisters, or siblings in the draft. Parents will not be allowed to request this option. However, the League will strongly urge the option to be exercised by the Managers. If a team during the draft should select a player candidate who has a brother or sister also in the draft, that team may invoke the brother/sister option. This option must be taken at that time and will be charged as a team's next round draft selection. Failure to take the option at that time releases the remaining brother/sister/sibling to be drafted by any other team.

Manager Option:

This option takes place when the Manager has a son or daughter in the draft. They will be protected in the draft prior to the close of a specific draft round depending on the league age. If (s)he is not selected by his/her guardian by that specific round, (s)he is free to be drafted by any other teams.

SECTION IV- Trades

Following the draft, managers may, if they desire, trade players immediately. All trades must be finalized before leaving the draft. All trades shall be made through and with the approval of the Player Agent. All trades must be player for player only. The Player Agent must monitor any attempts by managers to manipulate the system and thus create an imbalance in the league.

At no time should a manager contact another team or the parents of a player of another team about a trade. If it comes to the Player Agent's attention that this rule has been broken, the trade will not be considered and disciplinary action against the Manager may result.

ARTICLE VI – PRACTICE AND GAMES

All practice and games will set by Poquoson Little League. Scrimmages can only be conducted before the season begins, and it can only be between teams in the same division. Any additional practices must be scheduled through the Scheduler.

NOTE: The Scheduler has the right to revise the schedule at any point during the season with approval from of the President.

All teams will be scheduled a minimum of 12 games. For All-Star eligible divisions, each team must play a minimum of 12 games to have their respective players eligible for All-Stars. All players must play at least 60% of their teams' played games to be eligible.

If games are cancelled and need to be rescheduled, the Scheduler will provide a makeup date for the teams depending on availability.

All home games will take place at the Poquoson LL Complex, Municipal, Firth Field (Junior/Senior Baseball), and Bradshaw (Senior Softball). Specific field assignments will be provided on the schedule.

If there is less than four teams in a particular division, the teams will be required to participate in Interleague Play with surrounding leagues within District 7 Little League. In Interleague Play, teams will be required to play games outside of Poquoson.

ARTICLE VII- POSTSEASON

Poquoson Little League wants players to have a full experience of baseball and softball. Some divisions play Interleague (playing other leagues within in the districts) and thus, an End-of-the-Year Tournament is usually unavailable. Poquoson Little League reserves the right to offer an End-of-the-Year Tournament for the Minors and Majors Baseball Division and/or Future Stars Tournament at the end of the regular season if time allows or if it is in the best interest of the League. All Special Games requests must be approved by Little League International.

End-of-the-Year Tournament: The EOY Tournament is a special games tournament that follows the PLL regular season. There are two EOY Tournaments, one for Major Baseball and one for Minor Baseball. The format will be determined by the PLL Board of Directors prior to the start of the tournaments.

Future Stars Tournament: Future Stars is a special games tournament for the younger ones to experience an All-Star like atmosphere. It is typically a week-long tournament with practices, games, and fun activities to help prepare the child for a higher level of competition. Participants will engage in practices, games, and special events to facilitate a fun and learning experience.

NOTE: In case of weather or any other reason that the regular season needs to be pushed back, an End-of-the-Year or Future Stars Tournament does not have to be played. It is only to further the instruction of baseball and softball and is not required. Playing out the regular season takes precedence.

ARTICLE VIII – DISCIPLINARY ACTIONS

All Members of Poquoson Little League are encouraged to make a concerted effort to avoid the need for raising a formal complaint. It is generally expected, although not required, that before the formal complaint is filed that the complaining member will have taken the following steps.

- If applicable, discuss the issue with the person responsible for the complaint and attempt to reach a mutually agreeable resolution to the concern.
- Discuss the issue with the appropriate member of the Poquoson Little League Board of Directors (e.g., a commissioner if the concern is a specific division) and attempt to reach a satisfactory resolution to the issue. The appropriate member of the Poquoson Little League Board of Directors to whom the verbal complaint is brought should investigate the complaint as they deem appropriate and take all reasonable steps to resolve the issue before it becomes a formal complaint.
- Explore any other possibilities that might reasonably be expected to resolve the situation in a satisfactory manner.

If a member of Poquoson Little League feels that they have no alternative but to raise a formal complaint with the league, the following procedure should be used:

1. To be considered, a formal complaint **MUST** be in writing within 48 hours of the incident.
2. The formal complaint should be addressed to the Vice President of Poquoson Little League.
3. When the Vice President receives a properly made formal complaint, it shall be investigated. The investigation should include, but is not limited to discussing the issue with all involved parties and others who may have knowledge of the situation.
4. If the complaining party wishes or if the Vice President deems it necessary, the formal complaint will be brought to the Poquoson Little League Board of Directors.
5. In presenting the complaint to the Poquoson Little League Board of Directors, the Vice President will present the situation, as he/she understands it.
6. The complainant and the subject(s) of the complaint (if any) will be notified when the complaint will be presented to the Poquoson Little League Board of Directors. The above parties will be invited to hear the presentation of the complaint and will be given the opportunity to comment if they wish; however, the complainant and any such subjects will be asked to leave prior to the discussion of the issue by the Poquoson Little League Board of Directors.
7. After appropriate discussion, the Poquoson Little League Board of Directors will take whatever action it deems appropriate. The complainant will be notified of the decision of the Poquoson Little League Board of Directors in a timely manner. If unsatisfied with the outcome, the complainant has forty-eight (48) hours from the time of the notification to file a formal appeal to the Vice President.

ARTICLE IX- SAFETY

Poquoson Little League participates in the Little League ASAP Program. The ASAP paperwork should be completed by the League Safety Officer and submitted to the District 7 Staff by the assigned date of each year. Proof of Insurance from our charter shall be provided to all entities that Poquoson Little League does business with.

The Safety Officer shall coordinate First Aid Training with the League Vice President and President. A Safety Class and a Concussion Training Exam must be offered and completed to all managers and coaches before any team can practice. The purpose of the class is to train Managers and Coaches in proper First Aid Training. Players and parents will be involved in the League safety training and prevention program also. With proper training, the league hopes to prevent injuries from occurring. With all of us working together, our players will be safer.

Per Little League Rules, all volunteers who have repeated contact with the players MUST submit a Volunteer Form and consent to a Background Check.

Poquoson Little League will abide by the following selection process for selecting All-Star players and coaches that will represent PLL at All-Star tournaments played at the district level, as well as state, regionals, and possibly World Series levels.

The All-Star Executive Committee (ASEC) will oversee all processes involving All-Stars, including selections of managers, coaches, and players. The PLL ASEC will be composed of five voting members and a record keeper. The voting members consist of the following: The President, Vice President of Baseball/Softball, the Player Agent, the respective division commissioner(s) and the Coach Coordinator. Another board member can be selected by the President if positions are shared or if there is potential bias.

In cases in which there is a conflict of interest, the member shall recuse themselves, and the President shall select a replacement committee member.

All registered players of Poquoson Little League, who have met age and eligibility requirements per the Little League rulebook, will be eligible for All-Stars. The parent/guardian of any player wishing to be considered for the All-Star teams must declare by the date set forth by the Poquoson Little League Board of Directors. The parent/guardian(s) declaration is no guarantee that said child will be chosen for their respective division All-Star team. Poquoson Little League will provide notification to parent/guardian(s) of all deadlines.

SECTION I: All-Star Manager Selection

The All-Star Executive Committee will have the deciding vote on the final list of managers and coaches.

Any approved regular season manager/coach interested in managing an All-Star team in their respective age group, must declare their intention to the All-Star Director by deadline set forth by the Board of Directors as well as signing a letter of intent form to confirm his or her intentions of managing a team.

- Knowledge of players
- Input from non-All-Star coaches, managers, and board members

The ASEC will select managers by majority vote of the Committee.

League Presidents may be eligible to be selected by local league Board of Directors as tournament team manager or coach with written approval from their respective District Administrator.

SECTION II: All-Star Player Selection

The ASEC will have the final vote on the final list of approved players, managers, and coaches. Depending on the number of players desired on the roster by the selected All-Star manager, the top votes in numerical order shall be selected with the only exceptions allowed:

- Said player will miss tournament action due to previous engagements listed on the commitment form
- Said player suffered an injury since the ballots were submitted
- Said player faced disciplinary action enforced by the league

Manager Vote: Each regular season manager will be presented with a ballot with the names of every eligible player listed alphabetically by team. Each manager voting will be required to put their name on the ballot in the event of any question from the ASEC. Each manager shall vote up to 12 players. Managers can select players that play on his or her regular season team. Each player selected by a manager receives one vote towards the All-Star selection.

Player Vote: Each player will receive a ballot consisting of players in their respective division minus their own team. Each player shall vote up to 12 players. Only the PLL Player Agent or proxy determined by the Player Agent shall be present for the voting. Managers and coaches shall not be present with the players to prevent any pressure situations. The Player Agent shall determine the top 12 players from the Player Vote, and each of those players shall receive one vote towards the All-Star Selection.

Unbiased Member Vote: The ASEC will appoint one member of Poquoson Little League Board of Directors (a member of the ASEC is allowed) to submit a ballot. Each player selected by the unbiased member will receive one vote towards the All-Star Selection. The unbiased member shall meet the following criteria:

- Not have a child playing in the respective division that he or she may be submitting a ballot for
- Must have knowledge of the players

SECTION III: Selecting the 8-10 & 9-11 Baseball Team

If enough interest is available, the 8-10 & 9-11 Baseball Teams will be composed of eligible players selected by the respective Manager. Players who meet the minimum requirements and have submitted a commitment form are eligible for selection. Minor League Managers will submit a list of 10 players they

recommend for All-Star Tournament teams to the Player Agent. The eligible list will be given to the 8-10 and 9-11 managers for selections.

Voting for All-Star teams is considered extremely confidential. Only those members designated to the count of the votes should see the results of the balloting. In reporting to the Poquoson Little League Board of Directors, the Poquoson ASEC should not disclose the votes received by individual players or the ranking of the players by votes received. If any other person needs information about the All-Star voting, all participants should disclose as little information as possible.

The approved manager of each tournament team will be allowed to select the coaches with the approval of the Poquoson Little Board of Directors.

SECTION IV: All-Stars Season

Upon being selected to an All-Star team, each player shall receive a copy of the Poquoson Little League All-Star Travel Policy.

After being selected to the All-Star team, practices can start on the date that is determined by Little League International. Practices will be scheduled by the Manager of the team through the Scheduler. It is up to the Manager's discretion of how many times he/she wants to practice throughout the season.

In the first couple of practices, each parent/guardian(s) will get a list of requirements that must be fulfilled in order to have their son/daughter eligible to play. An affidavit will also be filled out by the Player Agent with the information. Without the affidavit, that team cannot play in a tournament. Players/Parents must provide the following:

- Pay a fee to Poquoson Little League to cover All-Star costs such as uniforms, equipment, and banners. The fee will vary each year and is set by the Board of Directors.
- Provide the original birth certificate. The Player Agent will keep the birth certificate until it is approved by the District 7 Staff, it will then be returned to the parents.
- Provide three proofs of residence showing that the player is a resident of Poquoson. These proofs must be from February 1 of the previous year to February 1 of the current year.

If a player has participated in All-Stars in previous seasons, filled out a Player Verification Form and has not moved from their address on the form, they do not need to provide any further information other than a new medical release.

After the affidavit has been checked by the District 7 Staff, the team is eligible to play in their respective tournament. If they win Districts and advance, the team might have to travel to other districts in Virginia. Travel, hotels, and reimbursements will be discussed with the Board of Directors based on the All-Star Travel Policy and addressed before tournament season in case of a team advancing.

ARTICLE XI – FALL BALL

After All-Stars, there is a rest period in late July and August. Fall Ball will start registrations in early August and/or early September with the season beginning in the middle of September and running through the end of October. The purpose of Fall Ball is to allow for additional instruction for players with a shorter game schedule and more practices. Generally, if a player is moving up a division the following spring, he or she will play a division up in the fall to ensure they are not behind when spring season rolls around but it is not required. In Fall Ball, the teams will usually play other leagues because the numbers of teams are low in each league and division. There are no tryouts or drafts in Fall Ball. A player will be placed on a team randomly and the season will begin.

Fall Ball League Ages are determined by the next calendar year's age chart.
