

Tackle Football Registration Open for players age 5-12! Player's age is as of 7/31/2021. Prices will increase \$50 on May 1st and registration will close on May 31st or when divisions register full. Go to www.ltya.org and log into your account to register. Register now as we expect divisions to fill quickly.

If your division is on a wait list, please register for the wait list. The Pee Wee division is currently on a wait list.

Players should register in the lowest division in which they are eligible to play. Click here to see the age/weight

Pop Warner enforces both the lower and upper end of the weight range. Players must certify in the weight range in shorts and a t-shirt prior to the season and then make weight each game week. Game week weigh ins are in full pads with an 7-8 pound equipment allowance. Upper end weights increase by 1 pound each game week. If you have questions on this, please reach out to me at scott@tylas.net

All LTYA teams will wear red jerseys, white pants and white helmets with black facemasks this year. If you have a red jersey from last year, you are welcome to use it again. Players needing or wanting a new jersey can order one at registration

Riddell Equipment Fitting & Weigh In:

Players may purchase their personal equipment anywhere they like. The Riddell equipment fitting is offered as a convenience for our players and to assist with getting properly fitted equipment. Properly fitted equipment can help with a more comfortable and safer tackle football experience.

Our next tackle football equipment fitting will be Monday May 3rd to coincide with our combine event. The final fitting will be Monday May 24th from 6-8 PM at a location TBD.

All players must attend an equipment fitting & weigh in event even if they are not ordering any equipment.
