

Welcome to the Bayside Pony Baseball & Softball League Homepage!

We are excited about our upcoming 2020 season! The three great ball fields provided by the city of Virginia Beach are complete and will be operational this spring. They are located at Luxford and Arrowhead Elementary Schools. Our older and softball divisions will play home games at Arrowhead.

The use of the three fields allows opportunities to:

- Host visiting teams and invite interlocking leagues to play on our fields.
- Families with multiple siblings from the the 3-6 year-olds, 7-8 year-olds and the 9-10 year-olds age divisions will have games in close proximity.
- Home fields that we can call our own!

During the Spring season, we will also have a fundraiser. Each family is asked to volunteer two (2) hours to the league in the form of :

- Working the concession stand at Arrowhead or the mobile concession stand at Luxford.
- Mowing the grass and / or dragging the fields.
- Lining the fields before the games.

If you are unable to volunteer two (2) hours during the season, the fundraiser opt-out fee is \$40. The \$40 fee will assist with field maintenance as well as other expenses - some of which include: payments for umpires, Porta-Potties, increased background checks and insurance costs, new equipment, repairs, and water and electricity usage at the concession stands.

The Board of Directors is excited about the future of our Bayside PONY league and look forward to seeing new and returning families during our spring season!

Sincerely,

Tim Wadley  
President  
Bayside PONY Baseball & Softball League
