

# WE NEED YOUR SUPPORT!

Voorhees Lacrosse is offering sponsorship packages to help support our growing organization and build greater community awareness. The club has seen a 30% increase in registrations over the past two years as lacrosse is becoming increasingly popular. Consequently, sponsorship revenue will subsidize costs affiliated with indoor training, coach education, equipment, trainers, tournament fees and other administrative costs.

We are offering two types of sponsorships to make selection simple. This is a great opportunity for local businesses to show community support. Over two hundred teams play games at the Giangiulio complex each year providing great visibility to field signs and our newly designed website effectively highlights sponsors on the homepage.

Voorhees Lacrosse is a nonprofit organization and appreciates any support you provide.
