

COVID-19 Update (3-19-2020)

The South Lyon Junior League (SLJL) continues to monitor the developments surrounding the Coronavirus (COVID-19). A board meeting was held last night via conference call to discuss the current situation and plan a path forward. It was decided that SLJL will continue to follow the directives of the South Lyon School District and remain shut down through at least April 5th, 2020, with no on-field activities through at least April 12th, 2020. The SLJL will not resume on-field activities until the schools have reopened.

The board will conduct a weekly call to discuss any new developments and reassess our schedule, if needed. Once a clear date for reopening the schools is set, the SLJL board will develop a revised schedule and share it with the SLJL community.
