

Hello Everyone,

For Minors, Majors, Juniors, and Senior Divisions, winter ball will only be practice, conditioning, skill-building, and scrimmage within their teams.

If/when the city allows, we will have games within our league.

If/when the county allows, we will have games against other leagues. Uniforms will not be supplied or required.

We will be hosting Baseball Clinics for T-Ball and Rookies Divisions on Saturdays only. There will be two separate time slots and the league will decide on the time.

Winter Ball is being provided at no charge. Our Board of Directors, volunteers, and kids are excited about returning to baseball. Hope to see everyone out there again!

Sincerely,  
Rancho Little League
