Dear Baseball Fans,

It's always time for baseball! For more than 50 years, Roy Gayle Baseball/Softball has been providing young people in the Rockford area an opportunity to learn, compete and build teamwork and perseverance skills to last a lifetime.

Eight leagues play at the Randerson-Carlson Sports Complex at Meridian Road and Bypass 20 with eight fields and four parking lots supporting more than 1,000 players on 70+ teams each season. It's truly one of the finest youth sports programs in our region, having made a positive impact on the lives of thousands of young people.

Best wishes for a successful 2019 season. On behalf of the City Council and all our residents, play ball!

Sincerely,
