

**“That Every Child May Play”**

# Challenger Division

The Challenger Division was established in 1989 as a separate division of Little League to enable boys and girls with differing physical and intellectual abilities to enjoy the game of baseball. By providing support for each player’s unique needs, these players age 4-18, or up 22 if still enrolled in high school, can join along with the millions of children who participate in this sport world wide.
