Dear Sponsor,

The Seneca Valley Girls Lacrosse Boosters is an organization that helps support and supplement the Seneca Valley Girls Lacrosse program. The program relies on generosity of local businesses and community members to help defray the costs associated with the sport of lacrosse. This is our main fundraiser of the year and we would really appreciate your help!

The money we get from the ads/sponsorships helps funding to organize team events, tournaments, meals, indoor training, uniforms, end of season banquets and awards. Last year with your help we were able to buy much needed winter jackets. The girls were so excited to have warm jackets for the extremely cold spring season!

We would like to thank you for the opportunity to let you know a little about our organization. Anyone interested in buying a sponsorship/ad please feel free to call me or email me with any question you may have. For those who have supported us in the past we truly appreciate your continued help in supporting these student athletes.

Thanks for your support!!!!

Sincerely,

Beth Rupert
