

Noblesville Youth Baseball - Field of Dreams – Spring 2020 FAQ

Is NYB playing baseball this year?

YES! Our recreational league will be held July – August 2020 for the following divisions given that we have adequate volunteer coaches available:

- 2nd Grade
- 3rd Grade
- 4th Grade
- 5th/6th Grade

Our travel baseball tournaments have been rescheduled where possible and will be held July – August 2020 at the NYB Field of Dreams.

What health and safety precautions is NYB taking at the Field of Dreams?

We are working directly with the Hamilton County Health Department to see what best practices we can implement at NYB so that we can comply with federal, state, and local COVID-19 guidelines. Here is a sample of what we are doing this year:

- It is recommended that all spectators, coaches, players, and employees wear a face covering, and use hand sanitizer, when not actively participating on the field.
- Hand sanitizing stations will be available throughout the facility.
- Dugouts will be cleaned between games.
- Spectators must maintain social distancing. Bleachers will not be available for spectator use. Guests are encouraged to bring their own chairs.
- Players must use only their own equipment (bat, helmet, glove). If a player is unable to provide their own equipment, please contact NYB and we will work with you.
- NO TOUCH RULE – No high fives, handshakes, fist bumps, etc.
- NO SEEDS, GUM OR OTHER ITEMS MAY BE CHEWED OR SPIT.
- All employees will be required to complete a health assessment, including a temperature reading, upon reporting to work at the Field of Dreams.
- Players, Parents, Guests, and Employees with a communicable illness, or symptoms thereof, should not attend events at NYB Field of Dreams.
- Guests 65 and older, and those with known high-risk medical conditions, at the advice of the Hamilton County Indiana Health Department, should not attend events at NYB Field of Dreams this season.
- Sportsmanship – There will be a zero-tolerance policy for players, coaches and spectators during the program.

Is this the final word on baseball at NYB in 2020?

NO! Baseball at the Field of Dreams will look different this year and will require cooperation from everyone. We are in an ever-changing situation, and we are doing our best to respond accordingly. Our goal is to keep our players, parents, and guests safe while providing the opportunity for youth baseball in Noblesville. To that end, we will make changes to our operations as needed to comply with federal, state, and local guidelines, and will communicate these as quickly as possible. As a non-profit, volunteer-based organization, we appreciate your support!
