## IN-HOUSE RECREATION BALL REGISTRATION GUIDE

The purpose of this guide is to assist parents/guardians with registering their children for Noblesville Youth Baseball on our new website. The registration process is simple and straightforward and this guide should help ensure success registering.

If you have any questions, please email [registration@noblesvillebaseball.org](mailto:registration@noblesvillebaseball.org)

### Notes:

1. If you registered last year (2014 Rec Ball), your information is stored in our registration system. You do not need to complete all of the steps below. Simply click REGISTER NOW under your child's information and select the appropriate Division.
2. Each division is broken down by age groups/grades of the child. When you register, you will see a list of all Divisions available. **You should select the Division that matches the CURRENT GRADE of your child in school. For T-Ball 3 & 4 Year Old and 5 Year Old, select the Division that matches the AGE of your child AS OF MAY 1, 2015.** If you mistakenly select the wrong division, contact us and we can manually adjust their Division.

Here is a break-down of the age/grade levels:

Age Group/Grade
3-4 Year Old
5 Year Old:
Kindergarten:
1st Grade:
2nd Grade:
3rd Grade:
4th Grade:
5th/6th Grade:
* In certain circumstances, we can allow players up to 14 years old to register for 5 <sup>th</sup> /6 <sup>th</sup> grade

3. We currently accept Visa and MasterCard for payment.
4. Creating an account is a one-time process. You can register multiple participants under this account and it can also be used in future (i.e. 2016) registrations. Once you have entered your child's (participant) information, each year you will be shown the appropriate age level division to register for automatically.
5. Blue Sombrero (our website and registration hosting company) has a Frequently Asked Questions section on their website that answers most registration related questions. It is located on their website at <https://bluesombrero.zendesk.com/entries/22108236-Registration-FAQs>.
