

2020 BOYERTOWN LEGION BASEBALL

INFORMATIONAL MEETING

Oct. 21st, 2019

PROGRAM OVERVIEW

The Boyertown American Legion Baseball program has been a perennial contender since its first State Championship in 1969. Since that time the program has been one of the best run organizations in the country and has had 2 American Legion World Series titles and 9 Mid-Atlantic Regional National championships. The program is the premier Pennsylvania American Legion program with 23 State Championships to its record. The American Legion Baseball program continues to be the best operational baseball program from the National level down to the State level.

UPCOMING CHANGES

There are some needs that we recognize aren't being met in the Legion realm of programming. We want to address those needs through our program and provide a new way to offer them at an affordable cost.

1. **Coaching Staff** - We are always going to start with putting together the best coaching staff so that each player has the opportunity to become an outstanding team player.
2. **Player Profile Packet** – We are going to work to get every player that desires to play at a higher level to be put into an institution that fits him both academically and athletically. All rostered Legion players will be provided with a College Player Profile free of charge. It will include the necessary academic documents, highlights of his playing career and references that will be used to market him to chosen universities and colleges. An option to include video analysis and video highlights in the packet will be offered at an additional cost.
3. **Showcase Camp/Weekend** – The team will spend time away together to grow as a team, improve as players and showcase their talents to college coaches.

TRYOUTS AND REGISTRATION

19U Senior Legion Team – Tryouts for all teams will be in late February thru first week of March. Registration is thru the www.bearstadium.com website. Players that aren't chosen for the Sr Legion Roster will be part of the 17U Legion Prep Team tryouts.

17U Legion Prep Team - 16 and 17yr. old players that make the Legion roster for the first time may also be double rostered on this team and will be a coaches decision. All new 16U and 17U players will register thru the Boyertown Midget Baseball League website at www.boyertownmbl.com.

2020 Boyertown Legion 17U Prep Team

OBJECTIVE – to provide a 17U Developmental team which focuses on getting sophomores and juniors ready to compete and be successful at the Sr. Legion level. Our coaching and development will be in unison with the Senior Legion program. Practices and instruction will be both with the Sr. Legion program and coaching staff as well as the 17U coaching staff. We will anticipate participating in a league schedule, have non-league opponents and compete in at least three weekend tournaments during the season with one showcase event included.
