March 22, 2020

The Medina Youth Baseball Association is focused on youth sports, we understand how important our program is to our youth and families. However, we are in unprecedented times with the arrival of the COVID- virus into our community, state, and country.

As an organization, we are determined to make every attempt to play a full season in 2020 for all levels of play, this includes, Recreation, Swarm, and Sting Baseball. We will continue to abide by current State and Federal guidance, as well as the Centers for Disease Control.

We strongly encourage all MYBA families to adhere to guidelines set forth by the State of Ohio to help the reduced spread of COVID-19

In addition, MYBA would also like to make the following statements:

- Since we plan on playing a 2020 season, recreation league registration will be extended to April 15<sup>th</sup>.
- Swarm and Sting teams must follow instructions issued by the Governor DeWine and refrain from any type of practice until restrictions have been lifted.
- For Swarm and Sting Baseball, we will work closely with the OHSBL, CVBA, and SSBL leagues to help facilitate a 2020 season.

Please keep in mind, information is changing daily, and we are in a fluid process. We will continue to be flexible throughout this pandemic and ask for everyone to reciprocate. If you have any additional questions, please feel free to email Bob Jacobs, MYBA President at [mybapresident@gmail.com](mailto:mybapresident@gmail.com).

We thank you for your patience and understanding.

The MYBA Executive Committee
