

PARKING RESTRICTIONS

Our field permits at both Dos Vientos Playfields and Sequoia Middle School are contingent on our ability to peacefully exist with the residents that live in close proximity to these fields. We have very specific parking restrictions at both locations and it is imperative that we abide by these restrictions. Please review the maps above and sign below that you acknowledge and understand these restrictions.

Exceptions to parking on the residential streets at Sequoia Middle School are made for people with a handicap placard or expectant mothers (please put a note in the window). Games will be stopped if not in compliance and repeated violations of these restrictions could result in this situation being turned over to the NPPB Discipline Committee for review.

This must be filled out by entire roster in order to receive your team uniforms (applicable to Shetland through Mustang teams only). Just one parent signature per player.
