

Mission Statement of the North Harford Recreation Council

The North Harford Recreation Council is a non-profit corporation administered by volunteers to provide leisure time activities for the North Harford Community. It is our firm belief that the pursuit of leisure time activities enhance the quality of life of the participants. Therefore, the Council strives to nurture, carefully plan, and protect the leisure needs of present and future North Harford residents.

The goals of our youth programs are to provide enjoyable recreational activities, to offer instruction in the skills of those activities, to encourage our young athletes at every opportunity, and to develop the ideals of good sportsmanship, team spirit and cooperation. Activities shall target the average skilled athlete, be fun for all, and provide a healthy recreational and social learning experience for all young people.

The North Harford Recreation Council gives sportsmanship, participation, safety, and well being of each individual participant a higher priority than winning.
