Dear Friends of Broadway Community Little League,

Broadway Community Little League plays an important role in many of our local youth by providing them with an opportunity to become involved in athletic competition. Whether their interest is primarily in America’s greatest pastime or their experience within our organization leads them to venture onto other sporting interests, we hope to instill the enthusiasm and dedication it takes to find enjoyment and success in their future and love of sports.

BCLL is a non-profit organization that has proudly provided coaching and guidance to youth ages four to sixteen in our community for over twenty-five years, offering various levels of play in both baseball and softball programs. Our League is operated 100% by community volunteers and depends greatly on our community’s participation. Community contributions allow us to provide lower registration fees in hopes that all children can participate in our program. BCLL is seeking donations from businesses and individuals in our community, such as yourself, to help cover the additional expenses such as uniforms, safety equipment, field maintenance, capital improvement projects, etc.

We depend greatly on our local businesses, sponsors and fundraising to be able to accomplish our goals and have a successful season. Broadway Community Little League would like to thank you in advance for any contribution you are able to make and for your time and consideration on this matter. Your donation will help us keep our proud tradition thriving and allow us to continue to teach our local youth the fundamentals of the game, discipline, hard work and the value of teamwork and sportsmanship.

In addition, the BCLL will be hosting the Southeast Regional Junior Baseball Tournament again in 2021 in late July. Last year we had teams from North Carolina, South Carolina, Florida, Georgia, Tennessee and Virginia that made the Shenandoah Valley their home over the four day tournament. Please let us know if you would be interested in assisting our organization with the costs associated with this tournament.

Sincerely,

BCLL Board of Directors
