

2019 CJBL Season Order Form

CJBL will produce a digital commemorative Program to celebrate 63 years of youth baseball in the San Fernando Valley! The program will feature all team members, sponsors, advertisers, pictures and more. This is a great resource to use throughout the year, as well as a keepsake for the participants. It is a great way to showcase your business, wish your player good luck, or simply support the league.

CJBL offers sponsorships for individual teams. Sponsors will be highlighted on the team's program page and recognized on the www.CJBL.org website with a link to their own website, if desired.

In honor of CJBL's 63 years, the league has dedicated an area behind home plate on the A Field for commemorative bricks available with your custom message.

All program ads are accepted based on available space, so order yours early!!! Ad and Sponsorship deadline is Picture Day, February 24, 2019
