

Hello CJBL Families,

First of all, we would like to wish all of you a wonderful holiday season, and hope that everyone is healthy and safe.

Online registration is open for the Spring 2021 season. **All players that register will be placed on a waitlist and guaranteed a spot. No fees will be collected until we are ready to start playing games.**

We are targeting March 6th for opening day. If for any reason that is not possible, we will look at alternate dates for opening day up to and including May 1st. If by May 1st we cannot start the spring season, we will move on with plans to have a summer season. **Again, no fees will be collected until we are ready to start games.**

Tryouts will be in late January, and teams will be start practicing in February.

We have a safety protocol in place to keep your players and families safe during the season.

Please register your players as soon as possible so that we can plan for how many players, teams per divisions, and managers we will need for the upcoming spring season.

I have attached a Spring Registration flyer with fees and more information.

Happy Holidays & Happy Years

CJBL Board of Directors
