

Roxbury Soccer Club

Roxbury Soccer Club (RSC) offers programs for kids of all ages. We have a robust Travel program for kids who want to enhance their skills and compete against teams from other towns and an in-town recreational league for kids to play against their friends and neighbors in the fall and spring each year. We also offer a Mites and Mini-Mites program for kids in Pre-K and Kindergarten. In addition, RSC has AA teams for High School age players.

Recreation: Our rec program runs in the fall and spring each year. We utilize trainers for C & D divisions to help players develop skills and gain consistency year to year. Kids of all playing ability are welcomed. Practices are once a week at Horseshoe Lake with 10 game schedules (pending rain outs) generally on weekends. Kids play at least half of each game.

Volunteers are always needed, so if interested please offer to coach!

Below is a summary of each level:

Mini-Mites – Designed for four year olds interested in learning soccer. Sessions run in the fall and spring for six weeks. Trainers are on hand to help the kids learn soccer skills.

Mites – For kids in kindergarten, sessions are held in the spring and fall each year and run for six weeks. Trainers are on hand to teach the kids fundamentals.

D Division – For kids in 1st grade, boys and girls teams are formed in the spring and fall. RSC plays 4v4 with no goalkeepers. Emphasis is on skill development as we use trainers to assist coaches with practices each week.

C Division – For players in 2nd and 3rd grade, boys and girls teams are formed in the spring and fall. Teams play 7v7 with goalies on a small sided field. Trainers are there to assist coaches with practices each week.

B Division – For players in 4th and 5th grade, boys and girls teams are formed in the spring and fall. Games are 8v8 on a small sided field.

A Division – For players in 6th, 7th, & 8th grades, teams are formed in the spring and fall each year. Teams also play against Mt Olive with games at both Horseshoe Lake and Turkey Brook parks. Teams play 11v11 on a full sided field.

Travel Soccer: Our Travel soccer teams run from U8 – U14. Travel teams stay together for the full soccer year (Aug through July) and practice twice a week. Try outs are in the spring, generally around May of each year. Costs are higher and vary by team as trainers and tournament schedules are factored in. Travel soccer is for kids looking for a higher level of competition and who want to concentrate on soccer and develop enhanced skills.

AA: our program for High School aged kids who are not on affiliated with other teams.

For additional information on any of our soccer programs, please visit our [website](#) or contact one of the coordinators:
