

Eagle Creek Little League Supporter:

Eagle Creek Little League (ECLL), originally founded in 1954, has provided thousands of youth with the joy of playing baseball and softball on the northwest side of Indianapolis for more than 60 years. The league moved to its current location of 5102 W 59th St and became known as ECLL in 1998. Our mission is to draw together community families, teach our youth the game, encourage our players in a sport of trial and error, while fostering teamwork and sportsmanship.

Our sponsors are critical in achieving this mission. We would be honored to have your help. In 2019, we updated our concession stand, made necessary improvements to our diamonds and purchased a portable scoreboard. However, these are some of first improvements we have made in almost 20 years. We are 100% volunteer in our efforts to build and maintain our entire site. ECLL believes that a vibrant little league is key to a good community. We are an urban league with need of many amenities. Roofs on our dugouts, lights on our fields, better restroom facilities are just scratching the surface at how we would like to improve the experience for our youth and their families. We have witnessed families move away from our community seeking other township programs. Your assistance can help many families who rely on ECLL's registration assistance program for reduced-cost or no-cost registration.

We are dedicated to our sponsors. We will constantly promote your organization to ECLL's 400 families' volunteers and visiting teams to our park. Throughout the season, more than 1200 people visit our ballpark each week, and many of those visitors live in Pike Township. That means our sponsorship banners are seen weekly by more than 1200 local consumers. We have more than 2,500 visitors on tournament weekends, visiting from many parts of the city and west side. ECLL is a 501(c)(3) organization. Your donation is tax-deductible to the extent allowed by law.

If you have any questions about an ECLL sponsorship or would like to discuss a sponsorship package specifically designed to meet your needs, please contact me at (317) 727-5643 Whether you choose to support Eagle Creek Little League at our MVP sponsorship level or at any level, please know we value your generosity and partnership. On behalf of our families, volunteers, and Board of Directors, thank you for your consideration and support of Eagle Creek Little League.

Sincerely,

Clark Sigmund, Sponsorship Director
