Good afternoon,

Leominster Lassie League is a non-profit organization offering softball to girls ages 5-18 and women of Leominster and local communities. Our organization teaches girls softball skills, leadership qualities, and good sportsmanship.

The Leominster Lassie League was founded in 1965 and has continued to grow each year. We offer fast pitch spring softball for 12 weeks from April through June for youth, then a women's slow pitch league during July and August and we end the year with an 8 week youth fall ball league September through October.

The Leominster Conservation Committee grants the League a license to use the Lassie League complex provided the League pay for all of the costs associated with the maintenance, upkeep, and repair of the property. The Lassie League does not receive any funding from the city of Leominster or the State of Massachusetts.

The Lassie League raises funds through registration fees, concession stand sales, annual Skirt in the Dirt tournaments, calendar raffles and fundraisers. We rely heavily on tax deductible donations from local businesses through team sponsorships, banners, business cards and donations.

Please consider sponsoring Leominster Lassie League this year through a tax deductible donation. We have enclosed a sponsorship form with a preaddressed return envelope for your convenience.

Thank you for your time.

Nichole Wheeler, President  
Leominster Lassie League
