Team fees

- Team fees include but are not limited to tournament registration fees, referee fees and coach's travel expenses.
 - Team fees vary by team according to tournament/game schedule. Team fees will be estimated by team manager and team treasurer prior to the start of each semester.
 - Payments are to be made to team treasurer by the date specified by the team manager or treasurer. The due date will generally be near the beginning of the semester.
 - No refunds will be made once team fees are paid. For players leaving mid-season, the guidelines for returning any funds remaining in the team account at the end of the semester apply (see below).
 - If a player has a positive account balance in their account at the end of a semester, those unused team fees can be refunded to the player. The team manager/treasurer will keep accounts for each player. Player accounts are increased for team fees paid by the player as well as funds received for that player from their Kroger cards. Player accounts are decreased for their allocation of all team fees paid for the semester, including but not limited to tournament registration fees, referee fees and coach's travel expenses.
