*2005 Boys White*

Coach Jeff has been coaching youth soccer in the Howard County area for 8 years. He is an E Licensed coach and has also coached out of state for clubs such as Churchill SC and Penns Forest SC. As he moves into his second seasonal year with Ellicott City, we are pleased to have him on staff as he continues to educate and develop the players on and off the field within our club. Jeff will be coaching in the 05 age group with the White team again this season.
