STITELER, MARTY

2003 Boys Black, 2002 Boys Black

C License. Marty has been coaching youth soccer for over 10 years and has also won a State Championship while coaching at Tuscarora High School in Frederick. Marty will be joining the staff at Glenelg Country School as a teacher and coach this coming fall. Marty played collegiate soccer at Division 1 Mount St. Mary's University where he was the leading scorer his senior year, under the guidance of Ellicott City's Director Rob Ryerson. My goal is to help each player reach his/her soccer potential, to instill confidence in the team and in each player to achieve desired goals and to love and appreciate the beautiful game. Father of Owen (5) and Toby (3). Enjoy hiking and kayaking.
