

Chenango Soccer Club AGE GROUP ADVANCEMENT FORM

This form is to be used when a player, parent, or coach wishes to place a participant in a different age bracket other than the age appropriate bracket as determined by birth date. The purpose of this form is to ensure all parties agree to the rules and terms of playing out of the age appropriate bracket. This form also establishes the terms of team rostering, playing out of age appropriate bracket.

- ❖ The age appropriate bracket WILL BE the 1st priority bracket unless BOTH coaches of the teams below agree upon the change.
- ❖ The maximum number of rostered players WILL BE the same as the Broome County Soccer Association maximum check-in limit, unless otherwise determined by the coach.
- ❖ If there are additional registrants than the “maximum check in limit” as determined by the Broome County Soccer Association, try-outs shall occur with final decisions of team rostering made by the Team Coach.
- ❖ Should a participant double roster with two age brackets, the 1st priority is listed below. This is the bracket where the participant attends practice, games, and other team events BEFORE he or she attends events from the 2nd priority bracket should a conflict occur.
