

Havelock Youth Soccer Association

Welcome to Havelock Youth Soccer Association!

It is HYSA's policy to establish balanced teams each season; in an effort to be competitive with other leagues we will attempt to keep teams together the best we can. We will try to place siblings on the same team if they play in the same age group. However, we cannot guarantee any requests. Siblings in different age groups may have to practice on different days or times as well.

EQUIPMENT:

- **Shin-guards are required** for all players during practices and games. (You must purchase separately)
- Soccer cleats are recommended but not required. (You must purchase separately)
- **A Soccer Jersey, soccer shorts and soccer socks** will be issued by HYSA and are to be worn for all games. The uniform is yours and you can keep it at the end of the season.
- **Appropriate practice attire** must be worn to each practice (no zippers, buckles, jewelry etc.). **Bring water to all practices and games.**
- Soccer ball is not required of each player but is *strongly recommended* (helpful for practicing on his/her own)
