

K.M.S.L. CODE OF CONDUCT

In the interest of Fun, Fitness, and Fair Play, the KMSL has established this code of conduct.

The following code must be followed by everyone involved in the Kettle Moraine Soccer League:

- I have received the KMSL Parent Handbook and support the leagues purpose and policies.
- Under no circumstances are parents, coaches, spectators, or players allowed to show disrespect (eg. inappropriate yelling, gestures, and language, etc.) to referees, players, or coaches.
- After the game, the proper procedure if you have a problem with a referee, coach, player or spectator, is to fill out a game report for the situation and submit it to an officer of your club. This report may be brought to the KMSL Board for review.
- Failure to follow the KMSL Code of Conduct may result in sanctions listed in the KMSL Operating Procedures Handbook.
