

Dear Friend,

The Cajun Rush is excited to announce that training will begin in July. With great expectations, we welcome 40+ youth teams of boys and girls this year. The Cajun Rush is a non-profit organization designed to develop and enhance soccer in the local community of Lafayette, LA.

As our 2020-2021 year approaches, we are pleased about all we have accomplished so far. Cajun Rush teams compete in local and out of state league games and tournaments throughout the year and we are thrilled to see our young players develop in the game of soccer. Also, watching our youth become positive role models is well worth the effort and time. We want to continue to be a major factor in Louisiana by producing some of the region's best youth soccer players.

The reason for this letter is to ask for your support in sponsoring one of our players. This is a great opportunity for them to supplement their club and team fees that are associated with our soccer teams. 100% of your pledge will go directly towards the player's account. This money will help pay for your player's tournament entry fees, club fees, and other expenses that are associated with travel soccer teams.

We would greatly appreciate your participation by sponsoring our soccer player(s) with your pledge. You can choose any amount that is right for you. Simply complete this sponsor form and return it with a check.

We sincerely hope you will consider sponsoring the athlete who delivered this letter. Anything you can do to help offset some of their costs, no matter how large or small, will be greatly appreciated. Contributions are accepted at any time during the season.

Thank you in advance for your support!
