

Uniforms:

In order to help keep prices down, starting in the spring 2016 season, a new uniform each season will be optional. All players, 9U and older, are required to have a complete WNMRC uniform in good condition. If you already have one, you may reuse your existing uniform. If you need or want to, you may order a complete uniform or just the items you need during the registration process. Players without a uniform will need to order one during the registration process.

5U & 7U players will only need a jersey and socks. They may also get a complete uniform if desired.

Birth Certificates:

Starting with the spring 2016 season, birth certificates will be required to be shown for 9U & up divisions. Players participating at a younger age group than their actual age has become a focus for FCYSL. In order to keep competition fair for all players, we are requiring that parents show a copy of their child's birth certificate to validate their eligibility. You may upload your player's birth certificate during the registration process, bring a copy to one of the earlier practices or email a photo of it to the WNMRC soccer commissioner. We also strongly encourage you to keep an image of it on your smart phone. Consider taking a photograph of the certificate and keeping it on your phone. That will make it easy for you to show it for purposes of the validation and it will also make it easier to find in the unlikely event that your child's age is challenged by another team. Thank you.
