RE: **Soccer Elite College Showcase Tournament**

On behalf of Lobos Rush Soccer Club we would like to request the release of all players that are members of teams from your school to participate in our events during the 2020 season. We realize the importance of a player's education and strive to accommodate the academic calendar that varies from state to state, as much as possible, while also being cognizant of the financial impact that participating in a national program has on families. Regrettably, our schedule may result in a limited number of days missed from school.

The SEC Soccer Showcase has been developed to provide elite level teams and their players with extraordinary opportunities to showcase their talents. These talents will be displayed in front of numerous college coaches and National Team scouts who are charged with identifying and developing the teams that represent the United States in international competitions such as the Olympics and World Cup. The opportunity provided to the players is great both on and off the field. As we all know, players at the elite level are striving to extend their educational and soccer playing careers to the college level.

Thank you for your understanding in regards to the absence players from school during our events. Please feel free to contact me with any questions. I can be reached at [mark@lobosrush.com](mailto:mark@lobosrush.com) or 901-854- 8724.

Sincerely, Mark Forrest

Director of Coaching
